

*'Relax, Restore, Glow...  
discover your prescription  
for beautiful skin'*

I am an experienced dentist, and Harley Street trained Facial Aesthetics Practitioner. I have my level 7 accredited cosmetics certification and also regularly train and mentor other clinicians on behalf of Derma Medical, the UK's leading training provider for facial aesthetics.

I work closely with our Skin Practitioners to create a bespoke treatment plan to address your individual concerns, and ensure you receive the best possible aesthetic results. Your safety is our first priority, and we use only the highest quality products as a result.

Our luxurious private treatment suite ensures that all services are carried out with the highest level of safety, comfort and discretion.
